

NAME _____

Money Identification

Follow the path to the piggy bank by connecting the pennies .

The maze consists of a grid of Canadian coins. The path is defined by 1-cent pennies. The path starts at the top left (row 1, column 1), goes right to (row 1, column 2), then down to (row 2, column 2), then right to (row 2, column 3), then down to (row 3, column 3), then right to (row 3, column 4), then down to (row 4, column 4), then right to (row 4, column 5), then down to (row 5, column 5), then right to (row 5, column 6), then down to (row 6, column 6), then left to (row 6, column 5), then left to (row 6, column 4), then left to (row 6, column 3), then left to (row 6, column 2), then left to (row 6, column 1). The path ends at (row 6, column 1). A black arrow points from the start to the first penny, and another black arrow points from the last penny down to the piggy bank.
