

NAME _____ DATE _____

Put Them in Order

Words in alphabetical order follow the alphabet. When the first letter is the same, put the second letter in order.

 Imagine you are making an encyclopedia. Put each set of words in their correct alphabetical order.

duck Dallas donuts	1. <u>Dallas</u> 2. <u>donuts</u> 3. <u>duck</u>
--------------------------	--

brick balloon Buffalo	1. _____ 2. _____ 3. _____
-----------------------------	----------------------------------

cheese Cupid cat	1. _____ 2. _____ 3. _____
------------------------	----------------------------------

warts Wisconsin weather	1. _____ 2. _____ 3. _____
-------------------------------	----------------------------------

moth mummy metal	1. _____ 2. _____ 3. _____
------------------------	----------------------------------
