

NAME _____ DATE _____

Homophone Search

Homophones are words that sound the same but have different spellings or meanings.

 Draw a line to match the homophones together.

<u>sun</u>	_____	pear
<u>ant</u>		son
<u>pair</u>		aunt
<u>no</u>		hare
<u>knight</u>		flour
<u>hair</u>		know
<u>flower</u>		night

 Find the above underlined homophones in the puzzle. They can be down ↓, across ⇨, or diagonal ↘.
